

CWRK COLLECTIVE SELF-SCREENING HEALTH POLICY & QUESTIONNAIRE

The safety of our clients is our number one priority and this policy was designed with that priority in mind.

Please keep a log sheet of all your self-screenings on the days you use your office at CWRK Collective. To respect your privacy, we will only request this information if there is a potential exposure. In the event the health department requests information for tracing, we will contact you and ensure we follow protocols defined by the health department.

If you have visitors to CWRK Collective, please complete the health screening prior to the scheduled appointment and let them know we are proactively screening.

If you need to use the conference room to schedule a client meeting to allow for appropriate distancing, please call or email Elsa – hello@cwrkcollective.com or 703-727-8430.

CWRK COLLECTIVE SELF-SCREENING QUESTIONNAIRE

DATE:

TIME IN:

TIME OUT:

In the past 14 days, have you:

Had close contact with an individual diagnosed with COVID-19 Y/N

Travelled via airplane internationally or domestically Y/N

If you answer "yes" to either of these questions, please self-quarantine at home for 14 days.

In the past 24 hours, have you experienced:

Subjective fever (felt feverish) Y/N

New or worsening cough Y/N

Sore throat Y/N

Shortness of breath Y/N

Difficulty breathing Y/N

Muscle aches Y/N

Headache Y/N

Abdominal discomfort Y/N

Vomiting Y/N

Diarrhea Y/N

Current temperature:

If you answer "yes" to any of the symptoms listed above, or your temperature is 100.4°F or higher, please stay home.

CDC Guidelines recommend isolating at home for minimum of seven days since symptoms first appear and remaining in isolation until you are fever and symptom-free for three days.
